RE: Grant Expiration – FY 2016 Rural Business Development Grant

To Ms. Behrns:

In looking at your current FY 2016 Rural Business Development Grant, it would appear that the grant agreement will expire on 7/26/2018. If you do not believe that the remaining grant funds will be expended within the current grant timeframe and the project as proposed in the original grant application is not yet complete, we would recommend you request an additional extension of your current grant. Extension requests are required to be received by our office 30 days prior to the grant expiration. If you do not request an extension, the current grant will end on 7/26/2018. All eligible expenses would need to be incurred prior to the grant expiration date of 7/26/2018.

If you have any questions, please contact me at (402) 371-5350 Ext. 115.

Sincerely,

Daniel Janke
